

About The Charity

C.B.T. (Congregation B'nai Torah) with its affiliated charities is a faith-based organization in the forefront of volunteerism and humanitarian works in the community at large. In addition to religious activities, C.B.T. sponsors and finances an annual Walkathon to raise funds for the local **Food Bank** that provided **22,000 meals to residents of all faiths last year**. The members have partnered with the local Alzheimer's support center to help provide resources for counseling and relief to affected families. Also, C.B.T. is an integral part of the local Hospice network with its membership providing care for the needs of local cancer patients and their loved ones. Members regularly join with other faith communities for intercultural experiences and to honor military veterans and public servants. In support of the **United States Armed Forces**, C.B.T. has collected and shipped supplies to our nation's troops overseas. Recently, the **Disabled American Veterans** medical shuttle program benefited from the tournament, in addition to the **American Heart Association** and **Greyhound Pets of America**. This poker extravaganza also directly funds **local educational programs and international studies** for worthy students. The tournament directly endows over **\$31,000** in **youth scholarship funds** to deserving children. CBT is also pleased to assist the **Police Unity Tour** in support of the **National Law Enforcement Officers Memorial**. The Deep Stack Charity Classic enables C.B.T. to continue its philanthropic efforts for all these worthy causes and more.
